

MARKETING MATERIALS, RESEARCH OR PROMOTIONAL MATERIAL DISCLAIMER

DISCLAIMER: This material is issued, delivered, provided or distributed by Cerus Markets, Limited and/or its affiliates and subsidiaries (collectively, "Cerus"). It is intended for general reference only and should not constitute or be regarded as an offer or solicitation of an offer or a recommendation. It not intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would violate any law or regulation or would subject Cerus to any registration or licensing requirement within such jurisdiction. Recipients of this presentation material agree to use this presentation material to the extent permitted by applicable law and regulation. Although the information contained in this material has been obtained or derived in good faith from sources believed to be reliable, and reasonable care has been taken to ensure the facts, recommendations, forecasts, opinions or expectations contained in this material are accurate and, as appropriate, fair and reasonable, Cerus has not independently verified the contents of this material and does not guarantee or warrant its accuracy, correctness, completeness, reasonableness or fairness.

The information contained in this material is provided "as is" and is provided without any representation or warranty of any kind. Opinions and estimates contained in this material constitute Cerus's judgement as at the specified date and are based on a number of assumptions, which may be changed without notice and may not prove valid. Past performance is not indicative of future results. No assurance can be given that any investment objective, expected returns or structure described in this material would yield favourable investment results or that investment objectives will be achieved or that the investors will receive a return of all or part of their investment. Investment results may vary substantially over any given time period.

Nothing in this presentation material constitutes investment, legal, accounting, tax or other advice. Independent professional advice should be sought prior to making any investment decision, including with respect to determining the suitability or assessing the investment risks of any product or service or whether the relevant product or service is suitable for in light of an investor's financial resources, investment objectives, level of experience and risk appetite.

This material, in whole or in part, may not be reproduced, distributed, published, transmitted or modified, directly or indirectly, in any manner, by any means, for any use or purpose without Cerus's prior written consent.
